Internal audit

I completed the internal audit work and discussed my findings with the parish clerk on 28 May .

The internal control objective contains two items that are graded as a no

C is denoted as a no because there is no overall document setting out the risks that the council sees itself facing .

It has followed its processes as in previous years to ensure that through eg budgeting and insurance cover safeguards are in place so there should not be any surprises in producing such a review annually .

J The documents presented to me did not contain any accounting statements either for the year 2023/24 or any part of that year .

I would suggest that quarterly statements are produced as a matter of routine going forward .
